10 reasons to attend the E Source Forum

On the fence about attending the E Source Forum 2022? Our content and conversations during this year's event will focus on how utilities can take the important steps needed to meet the seemingly competing priorities of The Sustainable Utility. Here are 10 other reasons why you won't want to miss it.

10 reasons
TO ATTEND
Source
FORUM 2022
1
Discover what it takes to become The Sustainable Utility
2
Get insights into what your customers will be clamoring for next year as well as how you can deliver it now
3
Create your own learning experience with multiple topical tracks
4
Gain direct access to our experts in research, data science, and solution services
5
Connect with people from other utilities who do the exact same job as you
6
Blow off some steam after a full day of learning with a variety of networking events and entertainment around Denver
7
Break out of your comfort zone with optional hands-on afternoon workshops
8
Hear from speakers who will inspire you with their success stories and innovative ideas
9
Celebrate the Forum's 35th birthday with some extra fun sprinkled throughout the week
10
Experience the best utility-vendor ratio of any conference in the industry
SEPTEMBER 13–16, 2022
