## Season’s Greetings from E Source!

’Twas the night before filming, when all through the air
Every employee was singing with holiday flair.
The backdrops were hung in the conference room with care
In hopes that the videographers soon would be there.

The E Sourcers were nestled all snug at their desks,
While proudly they donned their seasonal vests.
Then over the speakers, they heard the big news.
It was time to make their enthusiastic debuts.

From all of us at E Source, we want to sincerely thank you for your continued business and support. Wishing you and yours a wonderful holiday season filled with laughter, joy, and cheer.

Wishing You a Happy Holiday
and Prosperous New Year!

## Behind the scenes of the E Source holiday card

Things can get a little silly on the set of an E Source holiday card shoot. Unexpected dance moves are busted out, hidden talents are revealed, and coworkers bond over their favorite holiday traditions. Here’s a sneak peek at what goes on behind the lens.
